

DRAFT PROGRAM

Third Meeting of PLAN-E @ 11th IEEE eScience Meeting Munich 3-4 September 2015

Thursday 09.00-17.00 Open session

- 09.00-09.10 Opening by Patrick Aerts
- 09.10-09.20 Local host welcome (Dieter Kranzlmüller) Theme setting: Environment
- 09.20-09.50 About PLAN-E Patrick Aerts
- 09.50-10.20 eScience in Germany Anton Frank
- 10.20-10.40 Break
- 10.40-11.00 Anders Hast, “Challenges of providing a common format for up-to-date eScience graduate education at Swedish universities and HPC centres”
- 11.00-12.30 Discussion, moderated by Neil Chue Hong
- How can PLAN-E be instrumental in knowledge exchange and exchange of other science/data science related information
- 12.30-13.30 Lunch break
- 13.30-14.10 Keynote by Wilco Hazeleger: To get science from escience
- 14.10-14.50 Keynote by Bob Bishop: Engaging the Public in Science Narrative - the use of modelling, simulation, visualisation and big data tools
- 14.50-15.10 Rob van Nieuwpoort: eSTEP, an eScience Technology Platform
- 15.10-15.30 Break
- 15.30-17.00 Discussion, moderated by Neil Chue Hong
- How can PLAN-E be instrumental to get a solid policy for software sustainability and data stewardship established for academia in Europe?

Friday

9.00-12.30 Formal meeting

- Opening

- Introduction new members: 9.00-10.20

Austria: Thomas Haselwanter: "On Our Way to RDM - How the Universität Innsbruck Prepares Itself to Manage Her Research Data in a National and International Setting"

Turkey: Can Ozturan: "E-Science Efforts in Turkey"

Belgium: Rosette Vandenbroucke: "e-Science in Belgium"

France: Vincent Breton: "eScience in France" (t.b.c.)

BREAK

Various contributions: 10.30-11.30

- Presentation by EGI: Yannick Legere: "EGI: toward an Open Science Commons"

- Presentation by SSI: Neil Chue Hong: : Software Sustainability Institute: informing national policy

- Presentation by Colin Wright, South Africa

Formal discussions: 11.30-12.30

- Notes, Actions

- Discussion on the White Paper

- Introduction to the forth PLAN-E meeting (Ireland)

- Announcement fifth PLAN-E meeting
